Interactive Graphic Designer

TableTop Media is a rapidly growing, place-based media company that is revolutionizing the interactive media space. We work with a number of the leading companies in America including Pepsi, Anheuser-Busch, Microsoft, Chili's, and California Pizza Kitchen.

The centerpiece of our business is the Ziosk®, a wireless 7" touchscreen device placed on every table in a casual dining restaurant that enables guests to view and order drinks, appetizers and desserts, engage with infotainment while their meal is being prepared and pay their check, on demand, right at the table.

We are seeking an experienced designer who can work with the creative team to build interactive user experiences for both our restaurant and advertising clients.

Responsibilities:

- Partner with Art director to develop innovative, creative solutions for top restaurants and advertisers
- Create designs for a broad range of marketing materials – interactive touchscreen experiences, UI development, websites, PowerPoint, sales materials, trade shows...
- Think, research, strategize, create and have fun
- Coordinate with Project Managers and Creative Team to implement projects

Requirements:

- 4+ years of industry experience
- Must have agency experience
- Must be able to work in the office - no remote applicants please
- Can work on multiple projects at once and shift between them with ease
- Able to accurately estimate how long tasks will take and delivers on timelines
- Clear understanding of UI Design and interactive content development
- Exceptional portfolio showing strong layout, design and typography
- Proficient in Adobe Creative Suite
- Strong communication skills, self-motivated and a self-learner
- Wants to have a lot of fun doing what they love with a solid group of good people

Desired Abilities but not required:

- Apple iOS or Android
- Solid understanding of Flash
- Motion Graphics experience with Adobe After Effects
- Video Editing experience
- Experience with 3D software package
- Facebook and other social media creative

Winner of the Hospitality Tech Award, National Restaurant Association Technology Innovation Award, and PepsiCo10 Award, TableTop Media is a fast-paced, entrepreneurial company that has brought the internet age to the tabletops of the brick and mortar world of the casual dining restaurant. This is a great opportunity to get in on the ground floor with one of the hottest emerging companies in the US.
