Available Position:

Trainer for Restaurant Servers

Who we are:

Table Top Media, the pioneer in pay-at-the-table and interactive digital promotions and winner of the 2009 National Restaurant Association Technology Innovation Award, is expanding its team. This is a once in a lifetime opportunity to join one of the most talked about startups in the country.

We are seeking an individual who wants to be on the ground floor of this exciting opportunity. This will be a contract position with potential for full time employment.

Who you are:

- College graduate majoring in Sales, Marketing or Hospitality Management
- Previous experience in restaurant or hospitality industry (two years experience as a restaurant server or bartender with at least 20+ hours per week)
- Tech savvy – feel comfortable with emerging technology
- Charismatic speaker, comfortable speaking to groups of people
- A juggler of multiple tasks
- Able to think on your feet and make decisions
- Self sufficient and able to manage your time and project from conception to completion
- Able to travel during the week (Monday-Friday) for multiple days at a time
- Able to lift 30-40 pounds occasionally to move equipment
- Field Marketing experience (1 year minimum) - preferred

What you will do:

- Train servers and managers about our product and how to use it in the restaurant
- Help set up and deploy our solution in new stores
- Be available for questions from the restaurant staff during the launch period
- Follow through with comprehensive report on each installation
- Travel 3-4 days for each project. Able to start immediately
